## NEW TRENDS IN IMPLANTOLOGY AND SOFT TISSUE MANAGEMENT NEW FACTS

### Prof. Markus Hürzeler

It is one of the world's leading complex implants treatment specialists. Surgical methods that he developed, are used with great success even in the most complex cases.

Therefore, Prof. Hürzeler is an internationally sought-after speaker and coach of dentists.

He is also the author and co-author of many scientific articles and books 2011 book "Plastic, Esthetic, Periodontal, and Implant Surgery", which he wrote together with his partner.

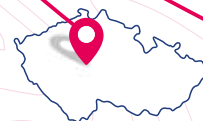

Markus Hürzeler studied dental medicine in Zurich and habilitated at the University of Freiburg in 1995, where he has also been teaching since 1998.

**20.10.2023**
